EIMELDINGEN

S400-H4-S20-BB

Stock no. :1053-002839

MACHINE-DATA

Machinetype	: Rotary Indexing Table
Make	: EIMELDINGEN
Type	: S400-H4-S20-BB
Year	: 1980
Control type	: conventional
Control	:
Storage location	: Lager
Origin	:
Delivery time	: immediatly
Quotation	: ex Warehouse, loaded free on t
Price	: on request

TECHNICAL DATA

table diameter	400	mm
workpiece weight	315	kg
table height	360	mm
max. height (90° position)	635	mm
height of the swivelling axis	240	mm
distance table center - swivel center	485	mm
center bore	40	mm
rotation movement	360	°
reading accuracy of turning index	+/-4	°
swivel movement	90	°
weight of the machine ca.	0,31	t
dimensions	850x450x360	mm

TECHNICAL DESCRIPTION

? new-valued, manual operated, swivelling rotary indexing table,
? H4 = indicating system for circular movements 0 - 360 ø +/- 4" above optic,
? S20 = indicating system for swivelling movements 0 - 90 ø +/- 20" above scale ring,

Technical details and information subject to amendments and errors.
